Re: *Braun v. Rayovac, Civil Action No. 03-CV-12428-WGY*

Dear Kevin:

Per your request yesterday afternoon, I have once again investigated the case study referenced during Gilbert Greaves' deposition. Based on a reasonable search of its files (including those electronically maintained), Braun states that it no longer has the case study in its custody, possession or control.

Very truly yours,

A handwritten signature in black ink, appearing to read "Dalila Argaez Wendlandt".
